I am absolutely delighted to share my heartfelt review about the extraordinary experience we had with Pastor Frank, who **officiated** the beautiful **wedding** ceremony of my girlfriend, Sonia, and me. From the moment we met Pastor Frank, we knew we were in the presence of someone truly special. His warmth, compassion, and genuine love for what he does shone through in every interaction we had with him.

We were very happy to have Frank as the **official** for our ceremony! It was a small ceremony at Central Park. Frank took time to talk to me and my husband 2 weeks before the **wedding** to get to know us and walk through the process! At the day of the ceremony, Frank was there early and everything went well as previously communicated! Once again we are very appreciative for Frank!

I cannot give a better review for Frank. Our **wedding** would not be this perfect without him. He is kind, responsive, caring, and he brought this days as the most enjoyable day for us. He arranged a meeting right before the **wedding** and communicated with us so well to make sure to give us an unforgettable memory. We feel so honored to have him as our **officiant** and we'll never forget this day for the rest of our lives. Believe me or not, he is the right person for your **wedding**.

My husband and I were so pleased to have Mr. Frank Broyles **officiate** our **wedding**. He is a wonderful pastor! He was very attentive to how we wanted our ceremony to be. Very kind, thoughtful, and personable, and listened to what was important to us. Very professional. He showed up ahead of time, made us feel comfortable, and was ready to go. Our ceremony was beautiful. Mr. Broyles - Thank you so much for making our day so special. We will never forget you!
